Please return this case study in the format of your choice. We will review the case study digitally prior to determining next steps in your interview process. Please be sure what you create displays your thinking without having to present it. Once the case study has been reviewed internally, there may be a face-to-face interview for further discussion.

- **One of our suppliers informs you multiple POs are late on their initially scheduled delivery. Please outline your course of action, including potential solutions and corrective actions.**

- You are presented with a data set from our order management system. Please create a report by season for delays highlighting performance by supplier and your comments on the main issues that we faced each season. Feel free to go into as much detail as you like.
